*See Source List document on our website for details on counties and states that report to this database. **DISCLAIMER: Though database searches are very broad they should not be relied upon as your only source of information. Database searches should always be accompanied by individual county court searches or statewide repository searches of the known addresses of each applicant.***

### **National Sex Offender Registry**

**\$6.00**

Our National Sex Offender Registry service is a search of state sex offender registries from 50 states, the District of Columbia, Guam, Puerto Rico, Virgin Islands, and many Native American tribes. Offender photographs are provided when available. Average turnaround time is instant.

### **Social Security Number Trace**

**\$5.00**

Our Social Security Number (SSN) Trace verifies the input name is associated with the input SSN in a proprietary database and provides an alias and address history for the name and SSN. The SSN Trace does not meet any local, state, or federal E-Verify requirement and does not confirm a name and SSN association through the Social Security Administration or Department of Homeland Security. The average turnaround time is instant.

### **Continuous Monitoring Multi-State Criminal Search with Alias**

**\$6.00\*\***

Our Continuous Monitoring Multi-State Criminal Search is a post-hire service that will perform a daily search of all names developed from a Social Security Number Trace (SSN Trace) in the Multi-State service database. The entered name and all names returned in the trace are automatically placed into continuous monitoring. Any change in the results since the last query will be provided at the time it is reported. A new profile is automatically created with the record details. SSN Trace is included with this service. Once per year the SSN trace data is refreshed and any results that are different from the original trace will be returned in the new profile. Thirty (30) days written notice to SecureSearch is required to add or remove names from Continuous Monitoring services as service is billed monthly at \$6 per name per month.

## Manual Services

### **County Courthouse Criminal Search**

**\$8.00\***

Search of felony and misdemeanor criminal records located at the county seat or central county courthouse. The search depth is a 7-year check unless specific notes are added to the order to request additional years to be searched. All legally reportable felony and misdemeanor conviction records and pending cases found are reported. Court access fees, if applicable, are not included in the price. Average turnaround time is same day to 3 business days unless the county requires a Court Clerk assistance.

### **Continuous Monitoring County Criminal Search**

**\$5.00\*\***

Our Continuous Monitoring County Criminal Search is a post-hire service that searches County Criminal records daily in a specific state or region. Any change in the results (pending cases or convictions) since the last query will be provided at the time it is reported. Not every county reports information, however 93% of the United States population is represented. Thirty (30) days written notice to SecureSearch is required to add or remove names from Continuous Monitoring services as service is billed monthly at \$5 per name per month.

### **Statewide Criminal Repository Search**

**\$8.00\***

This is a 7-year search of a state court or state law enforcement agency criminal record database. The type of records, record details available, record quality, accuracy, completeness, coverage, and comprehensiveness varies widely state-to-state and database-to-database. This service is not available in every state. The average turnaround time varies from the same day to over a week.

### **National Federal Courts Search**

**\$20.00\***

Searches the 94 Federal District U.S. Courts, which are separate from State and Local courts. The check depth is a 7-year check. If the maximum possible depth of a standard criminal record search is less than 7 years, the maximum possible depth of a check is provided. Reportable information contains misdemeanor convictions, felony convictions, and pending cases. Records found may contain limited identifiers due to the federal district courts' policy of redacting personally identifiable information (PII) such as date of birth, social security number, drivers' license number, and address. Average turnaround time is same day to 3 business days.

### **Nationwide Wants and Warrants**

**\$20.00**

This is a nationwide search of local, county, state, and Federal Extraditable Warrants. Results include wants and warrants for misdemeanor and felony cases. Not all law enforcement agencies contribute to this database. Average turnaround time is 1-2 days.

### **County Civil Courthouse Search**

**\$12.00\***

Our County Civil Courthouse Search looks for civil (non-criminal) records located at the county seat or central county courthouse. The search depth is 7-years. All legally reportable civil records found are reported. Records provided may be name match only due to the general lack of identifiers in civil court records. Average turnaround time is 3 to 5 business days.

### **Employment Credit Report (PEER)**

**\$15.50**

This service provides credit history, payment history, debts, public records (e.g., bankruptcies, liens, judgments), aliases, address history, and some employment history. This Employment Credit Report is for employment purposes only and the information provided is more limited than a non-employment credit report. A credit score is not available with an Employment Credit Report. State and local law may prohibit or restrict your procurement of a credit report for employment purposes. Federal, state, and local laws may restrict or prohibit your use of the information provided. A signed authorization is required. The average turnaround time is instant.

**NOTE: If you desire access to credit reports you must agree to a physical site visit and inspection. The cost of the site visit is \$85.00. Please indicate on Service Agreement if you wish to have access to credit reports.**

### **Motor Vehicle Records (Driving History)**

**\$5.00\***

Our Motor Vehicle Records service requires the entry of a state and license number to check a driving record. This service is available from 50 states and the District of Columbia. Results include infractions, violations, misdemeanors, felonies, points, and current status (e.g., valid, invalid, expired, suspended, revoked, reinstated, etc.). The standard reporting scope is 3-years. State access fees apply. A signed authorization or state specific authorization may be required by the state. PA requires a specific state consent to be filled out and submitted manually. The average turnaround time is instant to 5 business days.

### **Education Verification**

**\$10.00/school\***

This service will verify a degree, diploma, or attendance from an educational institution and includes the following: verifier's name/title, type of degree or diploma, major, and graduation date and/or attendance dates, and GPA (when provided). A signed authorization for release of information may be required. Third-party access fees, if applicable, are not included in the price. Separate agreement required prior to ordering service. The average turnaround time is 1 to 5 business days as 5 attempts are made to validate the degree or diploma.

### **Employment Verification**

**\$10.00/employer\***

Our Employment Verification will validate employment with a specific employer. A standard Employment Verification includes the following, as available: verifier's name and title, if the occupied position was full-time or part-time, dates of employment, title, separation reason, if separation was voluntary or involuntary, eligibility for rehire, and reason for any ineligibility for rehire. A signed authorization for release of information may be required by the employer. Employer or third-party access fees, if applicable, are not included in the price. Separate agreement required prior to ordering service. The average turnaround time for standard Employment Verification is 1 to 5 business days. Our researchers make five attempts to validate employment.

### **Professional Credential Verification**

**\$10.00/license\***

A Professional Credential Verification is a verification of a professional license, certification, or other credential from a specific credentialing entity. Results can include verification of the type of license, certification, or other credential, date of issuance, current status (e.g., valid, invalid, expired, suspended, revoked, reinstated, etc.), and any related disciplinary information. A signed authorization for release of information may be required by the credentialing entity. Credentialing entity or third-party access fees, if applicable, are not included in the price. Separate agreement required prior to ordering service. The average turnaround time is 1 to 3 business days.

**Professional Reference**

**\$10.00/reference**

A Professional Reference is an interview with a supervisor, coworker, colleague, client, vendor, friend, neighbor, classmate, or other personal or professional associate. Results can include reference’s name, position, and title, their nature and length of relationship, the applicant’s job duties and responsibilities, job performance, dependability, attendance and punctuality, productivity and work habits, strengths and weakness, relationship with associates, colleagues/clients, customers, initiative/drive, management or supervisor responsibilities, delegation, met deadlines, communication and presentation skills, performance problems, disciplinary actions, concerns about propensity for violence or dishonesty, overall performance, recommendation, any additional comments.

**Drug Testing**

A drug test is the testing of a donor’s urine for the presence of illicit substances (drugs, drug metabolites) and/or alcohol. Drug tests include specimen collection, an initial screen, GC/MS confirmation testing, if needed, and medical review. Medical Review is review of the initial result by a Medical Review Officer (MRO), a certified medical doctor with expertise and training in substance abuse and drug and alcohol testing. Our WebCCF tool, an electronic drug test chain-of-custody/custody-and-control form (CCF), provides the ability to submit an electronic CCF to the collection site and testing laboratory, eliminating the need for paper CCF forms. This option is available on most drug test services. Third-party collection fees may apply, and any additional cost may be billed separately. The average turnaround time is 1-3 business days after specimen is received by the testing laboratory. Additional Drug Test Panels available and quoted upon request.

**Our two most often requested drug testing services:**
