SecureSearch Status		8

\square Checking the installation

Once you create all the custom fields, please contact SecureSearch for finishing your integration. As soon as you have a confirmation that all the configuration was created (*all members synced*), you should see the following SECTION at the member's page > "Custom Fields" TAB (*e.g.:* https://CHURCH SUBDOMAIN.ccbchurch.com/goto/individuals/MEMBER ID):

1 - A link to start running "Background Checks" or to start a "SafeguardFromAbuse Course"							
SecureSearch / SafeguardFromAbuse							
View/Submit							

2 - Other sections will be shown (automatically) as soon as a Background Check or a SafeguardFromAbuse request is submitted for that member
